- All IASF Open Divisions and Junior Division teams will compete in semi-finals.
- The top three teams from each country in the IASF Open and Junior Divisions will advance from semi-finals to finals.

SCORING

Scores do not carry over from semi-finals to finals. Senior Division teams will be scored on USASF score sheets and can be found at TheDanceWorlds.net. Open and Junior Division teams will be scored on IASF score sheets and can be found at [IASFworlds.com](https://iasfworlds.com).

THE DANCE WORLDS AWARDS

IASF NATIONS CUP CHAMPIONSHIP

Teams may not use Disney themes, nor may they have costumes that resemble Disney characters. However, Disney music is acceptable if following the music guidelines as found on p 23.

COVERAGE AND LIVE STREAMING

Tune in for performances from every dance and cheer venue, special features, stories, interviews, results and more. Visit FloCheer.com to subscribe.

FREE ACTION MOMENTS

Action Moments Photography will have up to four cameras on each Worlds stage, capturing hundreds of action shots of your athletes during each performance. Coaches or club owners will receive photo links to share with athletes and parents.

SUBMITTING VIDEOS FOR LEGALITY REVIEW

For that added confidence and to help ensure a penalty-free Worlds routine, you may submit a video of any skill for legality review. A Worlds official will review each video and determine its legality. Results will be communicated to the participating club and will not be shared with other clubs or with The Dance Worlds judging panel. The deadline to submit a video for review is April 7, 2023 and results will be shared by April 17, 2023. Videos submitted after the April 7 deadline will not be reviewed. If you have a Dance rules question or video you would like a legality ruling on, send that email dance.rules@iasfworlds.com.

NOTE: Videos will be reviewed for potential penalties but will not preclude a team from being assessed a penalty while at The Dance Worlds. As a courtesy, USASF/IASF legality officials will be in the warm-up area for assistance if needed.

BID REQUIREMENTS

PARTIAL-PAID BIDS

Partial-paid bids are awarded to the top teams in one or more of The Dance Worlds divisions at bid-qualifying events. Each event producer that hosts a bid-qualifying event has the discretion to select the processes by which the bids are awarded. Partial-paid bid sponsors may award up to \$5000 maximum. The partial-paid bid sponsorship funds are not prize money and they are to be used towards the team's Worlds registration package, lodging and/or transportation to Orlando to participate at The Dance Worlds. The club is responsible for the balance of the team's competition expenses.

NOTE: If the Dance Worlds event is cancelled for any reason, the partial-paid bid sponsorship funds must be returned to the Event Producer who awarded the funds. Additional expenses incurred will be the responsibility of the team/club. Event producers will not be responsible for late fees if their representing team does not meet the registration deadline. Event producers will not be responsible for added change fees if the representing team has to make changes to the original registration and/or travel.

AT-LARGE BIDS

At-large bids are generally awarded to the teams scoring next highest to the partial-paid bid-winning team. Each event producer that hosts a bid-qualifying event has the discretion to select the divisions and the processes by which the bids are awarded. Recipients of at-large bids are eligible to compete at The Dance Worlds, however, they must pay for their own accommodations and related expenses.

TEAM BID LIMITATIONS

A team may receive no more than one bid to The Dance Worlds for any given division. A team that has accepted an at-large bid is eligible to compete for a partial-paid bid. If a team chooses to compete for a new at-large bid, they must **DECLINE** the original at-large bid **BEFORE** competing on Day 1 for the new at-large bid.

The process to **DECLINE** a bid includes:

1. writing to the sponsoring event producer;
2. writing to the IASF Director, Jibreel Rayam, jibreel@iasfworlds.com.

NEW! DIVISION AND TEAM SIZE REQUIREMENTS

A team that is awarded and accepts any type of Worlds bid must compete at The Dance Worlds in the same division, category and team make up (i.e. Coed, etc.) in which they competed at the bid-qualifying event. See Divisions at TheDanceWorlds.net for an outline of qualifying bid categories. The number of athletes competing on any team at Worlds may not exceed the number of athletes that took the floor with the team at the bid-qualifying event. Teams competing in a category offering a offering a Small/Large or Elite/Premier division at The Dance Worlds must meet the minimum size requirement in the division in which they qualified (Small 4-14 in Senior divisions/6-15 in Elite Open divisions and Large 15+ in Senior divisions/16+ in Premier Open divisions) or they will be assessed a penalty of 5.0 points off the final score. In the event a team utilizes all their alternates/reserve athletes to attempt to meet the minimum size requirements yet still falls short, a penalty of 3.0 points off the final score will be assessed. Any alternate/reserve athletes used to meet the minimum division requirements must actively participate in the routine.

DEADLINE FOR BID ACCEPTANCE

Partial-paid and at-large bid recipients who choose to accept their bids must do so within 72 hours after the last day of the bid-receiving event. The process to **ACCEPT** a bid includes:

1. returning the *Bid Winners Acceptance Form* and/or giving verbal approval to the sponsoring event producer, and
2. writing to the IASF Director, Jibreel Rayam, jibreel@iasfworlds.com.

Therefore, prior to competing in a Worlds bid-qualifying event, each team will need to decide whether it will accept the bid should they receive one; who will be going; and what the travel specifics will be. The purpose of this tight timing is to control last-minute changes that increase costs and make the entire travel experience disorganized.

Once a team accepts its bid, all required registration materials must be completed by the deadlines noted on page 19 of this guide. Any team holding its registration past the deadline in hopes of receiving a partial-paid bid at a later Worlds bid qualifier but is ultimately unsuccessful in achieving one, will be charged a late registration fee.

Bids that are not accepted or declined within the 72-hour deadline may be transferred to an alternate team at the sponsoring event producer's discretion. The sponsoring event producer may not transfer (hand down) any unaccepted or declined at-large bids after 96 hours from the last day of their qualifying event.

ATHLETE, SUBSTITUTION AND ALTERNATE REQUIREMENTS

ORIGINAL TEAM MEMBERS

Original team members are athletes that were on the floor AND included on the official team roster associated with the event where their bid was awarded.

SUBSTITUTIONS

A team may substitute up to 20 percent of the athletes per team for The Dance Worlds. A substitute must be a regular, paid athlete from another team at the same club and must have competed on the floor for that club at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as the original team that received the bid (i.e. age, etc.).

NOTE: Percentages may be rounded up. For example: 20 percent of a team with 13 athletes is 2.6, which may be rounded up to three substitutes.

WORLDS WILD CARD ALTERNATES RULE

Of the (up to) 20 percent possible substitutes, one to three of that 20 percent may be alternates. Alternates are registered members of the same team's club. Alternates do not have to be rostered or in attendance at the Worlds bid-qualifying event where the bid was received.

CROSSOVERS

At The Dance Worlds, an athlete may perform up to five times and must represent the same club. Crossovers of athletes between dance clubs are NOT permitted at The Dance Worlds. Crossovers between The Dance and Cheerleading Worlds are not permitted.

RESERVE ATHLETES ON THE WORLDS ROSTER

- If, for any reason, a substitute is needed to replace an active athlete on a team roster, ONLY an athlete listed as a reserve athlete on the respective team's official Worlds roster may be used for that substitution.
- An athlete attending The Dance Worlds exclusively as a reserve athlete may be listed on more than one team roster within the same club.
- The club must notify a Worlds official of an athlete replacement (moving athlete from reserve to active) prior to the team and the athlete taking the floor.
- Please allow adequate time for a Worlds official to verify eligibility.

ROSTER VIOLATIONS

It is important to ensure your roster is true and accurate before submitting it to the bid-giving event or Worlds. If a team is found to have made an improper substitution or alternate assignment, or has an illegal team member, this team:

- will be disqualified.
- may be responsible for repaying the total cost of any funds received through a partial-paid bid.
- may be prevented (along with the entire dance club) from being eligible for any type of bid to The Dance or Cheerleading Worlds the following year.

The IASF member event producers fervently encourage and support fairness, integrity and sportsmanship among all athletes in all facets of dance and cheerleading, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities and believe that coaches/club owners are instrumental in promoting and instilling this among their respective team members.

SAFETY

- I understand that dance is a competitive activity, which requires proper training techniques for all athletes under my direction.
- I attest I have been properly trained in basic dance techniques, proper skill progression and safety precautions.
- I understand it is my ethical duty to put the interest and safety of my athletes first and not to put athletes under my direction at risk unnecessarily.

SPORTSMANSHIP

- I will support The Dance Worlds outcome and represent my club with integrity, including on social media.
- I will display good sportsmanship and require such of my athletes and parents/families of competitors, including on social media.
- Worlds officials use yellow and red cards to address the misconduct of participants (coaches, parents and any other persons affiliated with the team) during the event. A yellow card will be used to caution participants while a red card will result in a participant's dismissal from the event.

- C. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized. All facets of a performance, including choreography and music, should be appropriate and suitable for family viewing.
- D. Athletes with bare midriff and/or upper leg (i.e. leotard or costumes without shorts) must wear a suitable cover up over the costume unless in the warm-up area, on deck, or on the performance stage.

III. INTERRUPTION OF PERFORMANCE

Competition officials reserve the right to interrupt a team's routine at any time deemed necessary and not covered by items A, B, or C.

A. Unforeseen Circumstances

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

B. Fault of Team

1. In the event a team's routine is interrupted because of failure of the team's own equipment and/or music, the team must continue the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

C. Injury

1. Persons that may stop a routine for injury are: competition officials, the club owner/head coach from the team performing, or an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The injured athlete that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from, first, the medical personnel attending to that athlete, the parent/guardian (if present), AND THEN the head coach/owner of the competing team.
 - b. If medical personnel do not clear the athlete, the athlete can only return to the competition if a parent or legal guardian in attendance signs a return-to-participation waiver.
 - c. In the event of a suspected concussion, the athlete cannot return to perform without clearance from a medical doctor or designated official specifically trained in concussion management, even with a waiver from a parent or legal guardian.

IV. HOW TO HANDLE PROCEDURAL QUESTIONS

Any question concerning the rules or procedures of the competition will be received only from one designated representative of the team (coach, director, etc.) and should be directed to a competition official. Such questions should be made prior to the team's performance. Any questions concerning the team's performance should be made to a competition official immediately after the team's performance.

V. INTERPRETATIONS AND RULINGS

Any interpretation of any aspect of these rules and regulations or any decision involving any other aspect of the competition will be rendered by the event officials. The event official and judges will render a judgment in an effort to ensure that the competition proceeds in a manner consistent with the general spirit and goals of the competition.

VI. FINALITY OF DECISIONS

By participating in The Dance Worlds, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative, or procedural review of such decisions.

VII. SPORTSMANSHIP

All athletes agree to conduct themselves in a manner displaying good sportsmanship throughout and following the competition. The owners, directors and coaches of each team are responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly.

Worlds officials will use yellow and red cards as a means to address the misconduct of participants (coaches, parents and any other persons affiliated with the team) during the event. A yellow card will be used to caution participants while a red card will result in a participant's dismissal from the event.

Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document.

VIII. DEDUCTIONS AND DISQUALIFICATIONS

Any team in violation of USASF and/or IASF Dance Rules will be assessed a penalty between 0.1 and 5.0 points off the final score.

IX. SCORES AND RANKINGS

Individual judge's score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to club directors, coaches and owners at the conclusion of the division.

X. IN THE EVENT OF A TIE

- A. All USASF Senior Club Divisions will NOT break ties for teams moving to the next round or finals placements including bronze, silver and gold.
- B. All IASF Open and Junior Divisions WILL break ties for teams moving into finals. In such cases, event officials will look at the tied teams' raw scores per judge to see which team was ranked higher most often. Whichever team ranked higher more often will receive the higher ranking.
- C. All IASF Open and Junior Divisions will NOT break ties for finals placements including bronze, silver and gold.

XI. MUSIC AND LIMITATIONS

Routine music used at The Dance Worlds must comply with applicable copyright law. At Worlds, all teams must provide proof of licensing. This will be reviewed during roster verification (see page 8). This may include:

- A. proof of purchase from an approved music provider;
- B. if using a single song, receipt from purchase of single song; or
- C. if using an editor (editors do not have to be on the provider list), they must be able to provide you with proof of purchase from a provider and proof of licensing for all sound effects and voiceovers included in the mix.

If you have additional questions, please contact the IASF Director, Jibreel Rayam, jibreel@iasfworlds.com.

XII. APPEARANCES, ENDORSEMENTS AND PUBLICITY

All teams agree to have all appearances, endorsements and publicity approved through the IASF office.

XIII. USASF/IASF LOGO USAGE

Teams will not be allowed to use the USASF/IASF logo or The Dance Worlds logo on items or apparel including banners, rings, bows, t-shirts, etc.

XIV. RULES

The Dance Worlds follows the most recent versions of the USASF Dance Rules for the Senior Divisions and the IASF Dance Rules for the Open and Junior Divisions. To access these rules, go to:

- USASF.net > ALL STAR > USASF DANCE RULES.
- IASFWorlds.com > DANCE > DANCE RULES.

XV. DISNEY COSTUME RULE

Teams may not use Disney themes, nor may they have costumes that resemble Disney characters. However, Disney music is acceptable if following the music guideline. See XI. MUSIC AND LIMITATIONS.

PARK RESERVATIONS

- Park attendance is managed via the Disney Park Pass reservation system. It's possible that some parks may reach capacity so we strongly recommend you register and pay early so you may book your reservations.
- **Once you register and pay in full**, you will receive a ticket order confirmation number via email in 7-10 business days. The confirmation will include instructions on how to link your ticket confirmation number to your My Disney Experience account so that you can make your park reservations.
- To make theme park reservations, you will need a My Disney Experiences account and valid theme park admission linked to it. Then, simply log into your account and select the dates and theme parks you wish to visit. To enter a theme park, both a reservation and valid admission for the same park on the same date are required. Please note that reservations are limited in capacity, subject to availability and not guaranteed until confirmed.
- If your top choice park reaches capacity, you can make a reservation for another park and then "hop" to your top choice after 2 pm that day.
- Please note that NO changes or upgrades are possible after ticket orders have been placed.
- Park Hopper® tickets will NOT be sold on-site at Worlds.
- Even if you do not plan to visit the theme parks, you must link your ticket in the app to enter ESPN Wide World of Sports® Complex.
- **IMPORTANT NOTE WHEN PURCHASING THEME PARK TICKETS:** The reselling or the transferring of theme park tickets in the state of Florida is a crime as described under Florida state laws; [Florida Statutes s. 817.361](#) and [Florida Statutes s. 817.36](#).

HEALTH & SAFETY

- Please refer to [Disney's current COVID-19 health and safety protocols](#). We will continue to update information on this page as available.

- Each team, whether on a hotel travel package or commuter package, **MUST** designate one person (other than the head coach) to be the Safety Champion. This person must be over 18 years of age and willing to participate in additional safety training from the Walt Disney World® Resort prior to the event. A club bringing multiple teams must designate a different individual for each team.
- Each Safety Champion will be confirmed upon registration in Orlando. Their responsibilities will include (but are not limited to) ensuring the team's athletes, coaches and spectators follow the health and safety requirements for the event.

SPECTATOR VIEWING

- At this time, spectator viewing is not limited.

FACE COVERINGS

- FACE COVERINGS are optional for Guests in both outdoor and indoor locations, as well as Disney transportation. It is recommended Guests who are not fully vaccinated continue wearing face coverings in all indoor locations, including indoor attractions and theaters and on enclosed transportation. What are the hotel check-in and check-out times?

Hotels guarantee check-in at 4 pm. If rooms are ready in your block, the hotel may allow you to check in early. Check-out at the host hotels is 11 am. Please communicate this to your entire group traveling with you.

How many chaperones do we need?

One club owner/coach or responsible adult (21 years of age or older) for every nine athletes is required.

Can we have five people in a room?

No. Disney resorts do not allow more than four people to a room. Rollaway beds are not available.

We have an uneven number of athletes. Can we pay the quad rate for three athletes in a room?

No. The travel package prices have been calculated according to how many people are in each room.

Can family and friends sign up for the Worlds hotel package?

Many coaches include parents on the hotel package with their teams. However, we encourage family members and friends to register separately. See the FAMILY AND FRIENDS section on page 21.

What if we are NOT purchasing a Worlds hotel package?

Each coach and athlete will need to purchase a commuter package which includes competition registration and a Magic Your Way ticket with Park Hopper® Option. Spectators will simply need to purchase a Park Hopper® ticket or purchase a daily admission ticket or wristband for entry into the competitions.
