- A 13-year-old athlete may participate where the minimum age is 14 IF they turn 14 on or before Dec. 31, 2023.
- A 19-year-old athlete may participate where the maximum age is 18 IF they were 18 at any time in 2023.

\* USASF teams are not eligible to compete in these divisions designated by an asterisk.

## BID REQUIREMENTS

Event producers will publish the procedures they will follow for awarding bids prior to the start of their qualifying competition. An event producer may not award more than one bid and/or type of bid to the same team.

## DEADLINE FOR BID ACCEPTANCE

Paid-bid winners and at-large bid winners who choose to accept their bids must do so within 72 hours after the last day of the bid-receiving event. Return the *Bid Winners Acceptance Form* and/or giving verbal approval to the sponsoring event producer.

Therefore, prior to competing in a Worlds bid-qualifying event, each team will need to decide whether it will accept the bid should they receive one, who will be going, and what the travel specifics will be. The purpose of this tight timing is to control last-minute changes that increase costs and make the entire travel experience disorganized.

Once a team accepts a bid, all required registration materials must be completed by the deadlines noted on page 21 of this guide. Any team holding its registration past the deadline in hopes of receiving a paid/partial-paid bid at a later Worlds bid qualifier, but is ultimately unsuccessful in achieving one, will be charged a late registration fee.

Bids that are not accepted or declined by the deadline may be transferred to an alternate team at the sponsoring event producer's discretion. The sponsoring event producer may not transfer (hand down) any unaccepted or declined at-large bid after 96 hours from the last day of the qualifying event.

## PAID BIDS / PARTIAL-PAID BIDS

Bids are awarded at The Cheerleading Worlds qualifying events. Each event producer that hosts a Worlds bid-qualifying event has the discretion to select the processes by which the bids are awarded. Partial-paid bid sponsors may award up to \$5000 maximum. Full-paid bid sponsors may award up to (\$25,000 or \$650 per athlete and two coaches on a bid-winning team. Bid sponsorship funds are not prize money and they are to be used towards the team's Worlds registration package, lodging and/or transportation to Orlando to participate at The Cheerleading Worlds. All paid bids payments are made directly to Worlds by the event producer on behalf of the program.

**NOTE:** If the Cheerleading Worlds event is cancelled for any reason, the paid/partial-paid bid sponsorship funds must be returned to the event producer who awarded the funds. Additional expenses incurred will be the responsibility of the team/club. Event producers will not be responsible for late fees if their representing team does not meet the registration deadline. Event producers will not be responsible for added change fees if the representing team has to make changes to the original registration and/or travel.

Paid bids are for athletes who will be on the floor during the team's performance at The Cheerleading Worlds. Reserve athletes or coaches brought to substitute for unplanned occurrences are not covered by paid/partial-paid bids and will not be funded by the sponsoring event producer. Should a substitute and/or an alternate become necessary after submission of a team's Worlds roster and after travel plans have been approved and confirmed, any additional costs associated with those substitution(s) must be paid by the club.

## AT-LARGE BIDS

At-large bids are generally awarded to runner-up teams or teams scoring next highest to the paid/partial-paid bid-winning team(s). Recipients of at-large bids must pay for their own Worlds registration packages and all other related expenses.

## IASF DIVISION NON-U.S. TEAMS

### 50% ROSTER AND TEAM SIZE POLICY

Rosters may change up to 50 percent within the division you have won your bid in. Fifty percent of the athletes from the original roster that earned the worlds bid, must remain on the roster for the 2023 World Championships

EXAMPLE: A team of 14 athletes can change seven of those athletes after tryouts to maintain the 50 percent. Season 2 programs that have tryouts after receiving their Worlds bid(s), may add to the roster as long as 50 percent of the original roster is maintained.

Programs must notify the EP if their roster changes so a NEW IASF roster can be submitted to the IASF.

## TEAM BID LIMITATIONS

A team may receive no more than one bid to The Cheerleading Worlds for any given division. A team that has accepted an at-large bid is eligible to compete for a paid/partial-paid bid. If a team chooses to compete for a new at-large bid, they must DECLINE the original at-large bid BEFORE competing on Day 1 for the new at-large bid. The process to DECLINE a bid includes:

1. writing to the sponsoring event producer and
2. writing to the IASF Director, Jibreel Rayam, [jibreel@iasfworlds.com](mailto:jibreel@iasfworlds.com).

## CHEER ATHLETE BID LIMITATIONS

- Athletes within the same club are limited to the number of teams on which they are eligible to compete and earn paid or partial-paid bids.
- Once an athlete has competed on a team and earned a paid, partial-paid or at-large bid, they are permitted to move to another team within their club. If their second team earns a bid, they are bound to the second team and may only compete with the second team at Worlds. They no longer are eligible to compete with the first team once the second team is awarded a bid.
- The number of athletes that have already earned a paid/partial-paid bid that are eligible to compete for and be awarded a paid/partial-paid bid on a second team is limited: IASF division teams may have up to four athletes that were previously awarded a paid/partial-paid bid.

## SUBSTITUTES AND ALTERNATES AT BID-EVENTS

All athletes competing at a bid-qualifying event must be listed on the official roster as active athletes and compete on Day 1. Should a team need to make substitutions on Day 2 of the event, they are allowed to replace a limited number of active athletes with reserve athletes for the second performance. The maximum number of substitutions allowed per team on Day 2 is limited:

### NOTES:

- The team coach is responsible for communicating any replacements or substitutions from Day 1 to Day 2 to the event producer.
- The event producer will note any changes made from Day 1 to Day 2 on the roster that was submitted by the team.
- Day 2 substitutions must meet all athlete eligibility requirements to compete with the said team.
- Athletes that took the floor on Day 1 with the bid-winning team will be considered original team members on the Worlds Roster.
- Reserve athletes that took the floor on Day 2 with the bid-winning team are eligible substitutes on the Worlds Roster.

## SUBSTITUTES AND ALTERNATES AT WORLDS

Each team must submit their official team roster for The Cheerleading Worlds. The club is permitted to replace original team members with substitutes and wild card alternates (reserves) so long as they do not increase the total number of athletes on the team and they follow the guidelines outlined herein.

## ORIGINAL TEAM MEMBERS

Original team members are athletes who were on the floor AND included on the official team roster associated with the event where their bid was awarded. It is important to ensure your roster is true and accurate before submitting it to the bid-giving event and the Worlds events.

**NOTE:** Exceptions to this policy may be considered for VISA based countries who are experiencing long waits for visa appointments due to the pandemic. Teams with original team members on their rosters due to VISA complications should contact the IASF for approval.

## SUBSTITUTION RULE

A substitute must be a regular-paid athlete from the same club, on a different team, and have competed on the floor for that club at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as those of the original bid-winning event. The maximum number of substitutions allowed per team at The Cheerleading Worlds is limited:

- IASF Open Division – 8 (season 1 countries)\*
- IASF Open Division – 12 (season 2 countries)\*
- IASF Global Club Division – 8 (season 1 countries)\*
- IASF Global Club Division – 12 (season 2 countries)\*
- IASF Non Tumbling Division – 10 (season 1 countries)\*
- IASF Non Tumbling Division – 15 (season 2 countries)\*

\*Refer to [IASFworlds.com](https://www.iasfworlds.com) for season descriptions.

## RESERVE ATHLETES ON THE WORLDS ROSTER

- Alternate and substitute athletes (reserves) must meet age grid criteria for the rostered team and are the only athletes eligible to serve as substitutes for that team, if needed for any reason.
- An athlete attending The Cheerleading Worlds exclusively as a reserve athlete may be listed on more than one team roster within the same club.
- Once the reserve athlete is moved to active, they are no longer eligible to serve as a reserve athlete on any other team. The club must notify a Worlds official of the athlete replacement (moving athlete from reserve to active) prior to the team and the athlete taking the floor. Please allow adequate time for a Worlds official to verify eligibility.
- Reserve athletes must be competition-ready and in the venue where the team is competing. If an injury occurs, reserve athletes may be used, as needed, as long as they meet eligibility requirements, are listed on the roster and have been approved during the roster verification appointment. Reserve athletes must report, be ready to warm up and compete with the team, within 15 minutes of the injury.

## CROSSOVERS

Crossovers of athletes between teams from the same club are NOT permitted. Crossovers of athletes between clubs are NOT permitted. Crossovers of athletes between cheer and dance teams from the same or different clubs are NOT permitted. In other words, a performer may represent only one team in cheer or one club in dance.

## PRELIMS, SEMI-FINALS AND FINALS

Worlds officials reserve the right to amend the order of events and/or divisions based upon final registration for The Cheerleading Worlds.

## IONT-6 AND IOCNT-6 DIVISIONS

- Prelim teams advancing to semi-finals will be reverse-seeded and spread among the paid-bid teams within the performance order.
- The top three teams from each country will advance from semi-finals to finals.
- The performance order for finals will be reverse-seeded based on semi-finals results.
- If 40 or more teams compete in a division's preliminary round, 15 will move to the semi-final round.

## SCORES

Scores DO NOT carry over from the preliminary to the semi-final round, nor from the semi-final to final round.

## IASF NATIONS CUP CHAMPIONSHIP

# AGREEMENT OF COMPLIANCE

In an effort to maintain the integrity and professionalism of The Cheerleading Worlds, the IASF has established a code of conduct. It is our goal to offer a positive event where good sportsmanship is the major theme and all rules are followed. The IASF member event producers fervently encourage and support fairness, integrity and sportsmanship on all athletes in all facets of dance and cheerleading, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities and believe that coaches/club owners are instrumental in promoting and instilling this among their respective team members.

## SAFETY

- I understand that cheerleading is a competitive activity, which requires proper training techniques for all athletes under my direction.
- I attest I have been properly trained in basic cheer techniques, proper skill progression and safety precautions.
- I understand it is my ethical duty to put the interest and safety of my athletes first and not to put athletes under my direction at risk unnecessarily.
- I understand that only IASF coaches who meet requirements for eligibility in the IASF member system are permitted in the warm-up areas at The Cheerleading Worlds.
- I understand that only IASF member athletes may compete at The Cheerleading Worlds.

## SPORTSMANSHIP

- I will support The Cheerleading Worlds outcome and represent my club with integrity, including on social media.

# RULES & REGULATIONS

## The Cheerleading Worlds 2023

### I. GENERAL GUIDELINES

The Cheerleading Worlds competition will follow the most recent version of the IASF General Rules and Age Grid. Refer to [IASFworlds.com](http://IASFworlds.com) for details.

### II. COMPETITION AREA

- A. Participants must start and end within the competition boundary and may line up anywhere inside the competition area to begin their routine. The competition area will be determined by the competition director according to the size of the facility being used. Approximate floor size will be 54 feet wide by 42 feet deep (9 panels). All skills must originate and be completed within the competition boundary. No lineups, skills, or transitions are allowed outside of the competition boundary. The competition boundary is defined as the actual competition floor/spring floor, the carpet bonded foam panels that connect to the spring floor, and any additional border that supports/ surrounds the floor.
- B. A deduction will be assessed per occurrence for an athlete that makes contact outside the competition boundary.  
NOTE: The deduction amount will be included in Worlds Score Sheets that will be posted online in early 2023.
- C. If a sign or prop is thrown outside the performing area, that team will receive a deduction for each violation. Signs or props may be placed or dropped outside the competition boundary by a team member who must remain inside the competition boundary area. All center markers are prohibited.

### III. MUSIC AND LIMITATIONS

- A. Timing will begin with the first movement, voice, or note of music, whichever comes first. Timing will end with the last movement, last voice, or note of music, whichever comes last.  
ROUTINE PERFORMANCE TIMES:
1. Senior Divisions: 2:30 maximum
  2. IASF Open L5, L6 and L7: 2:30 maximum
  3. IASF Non-Tumbling L6 and L7: 2:00 maximum
  4. IASF Global Club L6:
    - a. 30 second minimum to 40 second maximum for the opening cheer portion,
    - b. 20 second maximum to move from cheer portion and set up for the music portion, and
    - c. 2:30 maximum for the music portion.
- B. All introductions (tumbling, entrances, chants, spell-outs, etc.) are considered part of the routine and are timed as part of the performance. There should not be any organized exits or other activities after the official ending of the routine.  
NOTE: Penalty points will be included with the Worlds Score Sheets that will be posted on [IASFworlds.com](http://IASFworlds.com) in early 2023.
- C. If a team exceeds the time limit, a penalty will be assessed.  
NOTE: The point deduction amount will be posted when the Worlds Score Sheets are posted in early 2023.
- D. Because penalties are severe, it is recommended that all teams time their performance several times prior to attending the competition and leave a several second cushion to allow for variations in sound equipment.
- E. All teams at The Cheerleading Worlds may use as many songs in the musical portion of their routine as they like.
- F. Routine music used at The Cheerleading Worlds must comply with applicable copyright law. At Worlds, all teams must

provide proof of licensing. This will be reviewed during roster verification appointments (see page 21). This may include:

- proof of purchase from an approved music provider.
- if using a single song, the receipt from the song's purchase.
- if using an editor, proof of purchase from an approved provider and proof of licensing for all sound effects and voice-overs included in the mix. Editors do not have to be on the preferred provider list but must be able to provide teams these required proofs of purchase and licensing.

NOTE: If you have additional questions about the music guidelines, please contact [admin@IASFworlds.com](mailto:admin@IASFworlds.com).

- G. Teams may not use Disney themes nor costumes that resemble Disney characters. However, Disney music is acceptable if the music licensing guidelines are followed.
- H. Each team is required to assign a responsible adult who knows the routine and music to stay at the music station during the team's performance. This representative is responsible for starting the music and stopping the music in case of technical malfunction or injury. Please make sure that all devices are fully charged, placed in airplane mode, and the volume is turned up.

### IV. ATHLETE BEHAVIOR

- A. Athletes of teams at The Cheerleading Worlds are expected to exhibit the utmost of sportsmanship, respect and support throughout the entire event. Periodically there were concerns that a high standard of "decorum" was not being followed consistently by all teams in the performance venue at performance time, and also by some club members/fans viewing the routine.
- B. When teams are introduced, they are expected to take the floor within a 30-second window and assume the starting position for their routine. At the conclusion of the routine, competitors are expected to exit the performance floor immediately, again within a 30-second window of time.
- C. From the time the team is announced the protocol for entering and leaving the competition floor is expected to reflect a "team" environment.
- D. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized for by event judges. These actions may include, but are not limited to, things such as:
1. Taunting another team. Taunting may be defined as the use of baiting or taunting acts and/or words that engender ill will between teams.
  2. An athlete calling unnecessary attention to her/himself (i.e. high fives, chest bumps, etc.).
  3. Excessive pre- or post-competition team rituals (team bonding traditions must take place behind the stage area).
  4. Public displays of affection.
  5. Stepping outside the competition boundary to approach coaching staff, crowd members and/or other members of the audience.
  6. Excessive celebration (i.e. athletes wrapping their legs around coaches and/or each other, victory dances, etc.). Any prolonged, excessive, or premeditated celebration by individual athletes or a group of athletes while on the competition floor.

7. Coaching staff, parents, fans and/or other members of the performing club entering the competition boundary before, during or after a performance (unless in direct response to an obvious athlete injury). The only people allowed on the performance floor are the competitors and competition personnel.
8. Participants collapsing to the floor following a performance when an injury does not seem apparent. It will be assumed that any athlete who is not able to maintain a standing position is in need of medical attention and will be treated as such.
9. Teams will be assessed a point penalty for exhibiting unsportsmanlike, unprofessional, disrespectful and/or unsupportive behavior. The amount of the penalty will be determined by the competition officials. Note: Penalty points will be included with the Worlds score sheets that will be posted on [IASFworlds.com](http://IASFworlds.com) by early 2023.

## V. ATHLETIC PERFORMANCE STANDARDS

- A. Judges reserve the right to assess warnings and/or deductions when a team's choreography does not meet the appropriate standards.
- B. COVER UP GUIDELINES — Athletes with non-full top uniforms must wear a t-shirt or other suitable cover up over their uniforms unless they are in the warm-up area, traveling as a group directly to or from the warm up area, or on the performance stage.
- C. APPROPRIATE CHOREOGRAPHY — All facets of a performance/routine, including both choreography and music selection, should be appropriate and suitable for family viewing and listening.
- D. Examples of inappropriate choreography may include, but are not limited to movements such as hip thrusting and inappropriate touching, gestures, hand/arm movements and signals, slapping, positioning of body parts and positioning to one another.
- E. Music or words unsuitable for family listening, which includes, but is not limited, to swear words and/or connotations of any type of sexual act or behavior, drugs, explicit mention of specific parts of the body/torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words may still constitute "inappropriate".
- F. Music or movement in which the appropriateness is questionable or with which uncertainty exists should be assumed by the coach to be inappropriate and removed as to not put their team in an unfortunate situation.
- G. MAKEUP — Makeup, if worn, should be uniform and appropriate for both the performance and the age of the athletes. Face/eyelid rhinestones are not allowed. False eyelashes are allowed but may not be decorated in rhinestones or additional jewelry.
- H. BOWS — Bows should not be excessive in size (acceptable bows are generally no more than 4" in width) and should not be a distraction to the performance. Bows should be worn in a manner to minimize risk for the athletes, should be adequately secured and should not fall over the forehead into the athlete's eyes, or block the view of the athlete while performing.

- I. GENERAL UNIFORM GUIDELINES — No risqué, sexually provocative or lingerie-looking or inspired uniform or garments allowed. All uniform pieces should adequately cover an athlete and must be secured to eliminate any possible wardrobe malfunction. Appropriate undergarments must be worn. In addition to the following guidelines, athletes also must consider that a combination of uniform pieces may also deem a uniform appropriate or inappropriate. ALL garments must properly cover the athlete and the athlete's undergarments during the routine.
- J. UNIFORM SKIRT/SHORT GUIDELINES — When a skirt is worn as part of the uniform, briefs under the skirt are required. The skirt must fully cover the hips. The skirt must completely cover the briefs and must fall 1 inch below the briefs (regular and boy-cut briefs). When shorts are worn as part of the uniform, there must be a minimum of a 2-inch inseam.
- K. UNIFORM TOP GUIDELINES — Uniform tops must be secured by straps or material over at least one shoulder or around the neck (tube tops are not allowed).

## VI. SPOTTER POLICY ON COMPETITION FLOORS

The Cheerleading Worlds WILL provide spotters for all competition floors for ALL divisions. All teams during this time MUST use the provided spotters on the competition floor.

## VII. SPOTTER POLICY IN REHEARSAL AREAS

- A. Teams must follow the level rules and have the required team member spotters in place during the execution of skills while in the rehearsal area.
- B. The Cheerleading Worlds will have event spotters available upon request in all rehearsal areas. The Cheerleading Worlds WILL NOT require event spotters to be used in the rehearsal areas.
- C. IASF Divisions — The Cheerleading Worlds will provide spotters in the rehearsal areas, upon request, for all teams competing in the International Level 5, 6 and 7 divisions. Teams may also elect to use additional spotters. Additional spotters must meet the requirements as listed in item IV D3 on page 26. Teams will required to confirm the request for spotters and or confirm their own spotters in the registration form.

*(continued, next page)*

#### SPOTTER POLICY IN REHEARSAL AREAS (continued)

- D. Additional Spotters — Definition: Individuals on the rehearsal floor provided as a safety precaution to spot certain elements of a routine during rehearsal only.

##### Additional spotters:

1. must meet the eligibility requirements to enter the warm-up room.
2. should only be used during the stunt, pyramid, and/or basket toss sections. Additional spotters are provided by the team for added safety and should stand at the back of the floor when not spotting those sections.
3. should not touch, assist, or save skills being performed. Additional spotters should only be used to prevent a fall to the rehearsal floor.
4. should be dressed so that they are presentable, professional, and distinguishable from the performing athletes. Team-provided additional spotters should not wear clothing similar to the performing team's uniform.
5. should not dress or act in a manner that distracts from the athletes and their performance.
6. should be at least 18 years old and familiar with spotting the skills of the performing team.

NOTE: To provide the safest competitive environment, teams should not attempt skills beyond their ability level.

### VIII. INTERRUPTION OF PERFORMANCE

#### A. Unforeseen Circumstances

If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

#### B. Fault of Team

In the event a team's routine is interrupted because of failure of the team's own representative, is non-injury related, equipment and/or music related, the team must continue the routine. The degree and effect of the interruption will be determined by the competition officials and a possible penalty will be assessed. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

#### C. Injury

1. The only individuals that may stop a routine for injury are:
  - a. competition officials,
  - b. the club owner/head coach from the team performing, or
  - c. an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. If permitted to perform again the team must (pending the injury's impact on the routine) perform the routine again in

its entirety, but will be evaluated ONLY from the point where the interruption occurred.

3. If a team needs to re-perform a routine but fails to do the routine in its entirety, (example: throwing a back tuck instead of the full twist thrown in the original performance) then this team may receive a penalty at the discretion of competition officials.
4. The injured athlete that wishes to perform may not return to the competition floor unless:
  - a. The competition officials receive clearance from: first, the medical personnel attending to that athlete, the parent/guardian (if present) AND THEN the head coach/director of the competing team.
  - b. If the medical personnel do not clear the athlete, the athlete can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver (excluding a suspected concussion).
  - c. In the event of a suspected concussion, the athlete cannot return to perform without clearance from a licensed medical professional that has training related to head injuries (medical doctor or designated official specifically trained in concussion management), even with a waiver from a parent or legal guardian.
  - d. We encourage you to be familiar with suspected concussion laws applicable in the state where the competition is being held.

### IX. HOW TO HANDLE PROCEDURAL QUESTIONS

Any question concerning the rules or procedures of the competition will be handled exclusively by one designated representative of the team (i.e. club owner/director, coach or captain) and will be directed only to a competition official. Such questions should be made prior to the team's competition performance. Any questions concerning the team's performance should be made to a competition official immediately after the team's performance.

### X. INTERPRETATIONS AND RULINGS

Any interpretation of any aspect of these Rules and Regulations or any decision involving any other aspect of the competition will be rendered by the Worlds Competition Rules Committee. The Worlds Competition Rules Committee will render a judgment in an effort to ensure that the competition proceeds in a manner consistent with the general spirit and goals of the competition. The Rules Committee will consist at minimum of the Competition Director, Head Judge, the IASF Rules Committee Chair and/or a competition official designated by the Chair. The Competition Director may appoint additional qualified members to those listed above to be members of the Worlds Competition Rules Committee.

### XI. FINALITY OF DECISIONS

By participating in this championship, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative or procedural review of such decisions.

## XII. SPORTSMANSHIP

All participants agree to conduct themselves in a manner displaying good sportsmanship throughout and following the competition. The directors, coaches and club owners of each team are responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document above.

## XIII. DEDUCTIONS AND DISQUALIFICATIONS

Any team in violation of The Cheerleading Worlds Rules and Regulations will be assessed a deduction for each violation. (A deduction is possible for athlete behavior violations as stated under section IV.) Any team that does not adhere to the terms and procedures of the general competition rules will be disqualified from the competition and automatically forfeit the right to any prizes or awards presented by the competition. In addition, the team may also forfeit the opportunity to participate in The Cheerleading Worlds the following year and may be responsible for repaying the entire cost of any funds received through a paid/partial-paid bid.

## XIV. SCORES AND RANKINGS

Individual judges' score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores in a particular division. Scores and rankings will be available only to club owners and coaches at the conclusion.

### IN THE EVENT OF A TIE

- A. All USASF Senior Club divisions will NOT break ties for teams moving to the next round or FINALS placements including Bronze, Silver, and Gold.
- B. All IASF International Open divisions will NOT break ties for FINALS placements including Bronze, Silver, and Gold.
- C. All IASF International Open divisions WILL break ties for teams moving into FINALS. In such cases, these steps will be followed until the tie is broken:

Step 1: The team with the least amount of total performance error deductions will win the tiebreaker.

Step 2: The team with the highest total score adding up the stunt/pyramid score sheet and the tumbling/jump scores will win the tiebreaker.

Step 3: Technique-only scores (does not include combination difficulty/technique categories scores such as dance) on each score sheet will be added and the highest total will win the tiebreaker.

Step 4: A panel including the head judge, competition officials, etc. will review both routines and select a winner of the tiebreaker.

## XV. COMPETITION FACILITY

The competition is scheduled to be held at ESPN Wide World of Sports® Complex. The competition officials shall have the right to alter the time and location of the competition in the event changes become necessary due to final registration, inclement weather, facility problems or other situation deemed by the competition officials to be essential to the success of the championship.

## XVI. TELEVISION COVERAGE

The Cheerleading Worlds may be nationally televised. Because of the format of the show, not all finalist teams will be shown on the telecast.

## XVII. APPEARANCES, ENDORSEMENTS, AND PUBLICITY

All teams winning titles, awards or prizes agree to have all appearances, endorsements, and publicity approved through the IASF office.

## XVIII. IASF LOGO USAGE

Teams will not be allowed to use the IASF logo or The Cheerleading Worlds logo on items or apparel including banners, rings, bows, t-shirts, etc.

## XIX. GENERAL SAFETY RULES AND ROUTINE REQUIREMENTS

The Cheerleading Worlds follows IASF and/or IASF Cheerleading Rules and Guidelines, depending upon the division. Rules clarifications MAY be made during the season. The Cheerleading Worlds 2023 will follow the most recent posting of the IASF and IASF rules. Please refer to [IASFworlds.com](http://IASFworlds.com) for any changes.

## XX. PENALTIES

A penalty will be assessed at the discretion of competition officials to any team violating any of the specific rules as stated at [IASFworlds.com](http://IASFworlds.com). This deduction does not apply to violations mentioned above that are designated a lesser point value. If you have any questions concerning the legality of a skill, please visit [IASFworlds.com](http://IASFworlds.com).

A club bringing multiple teams must designate a different individual for each team.
- Each Safety Champion will be confirmed upon registration in Orlando. Their responsibilities will include (but are not limited to) ensuring the team's athletes, coaches and spectators follow the health and safety requirements for the event.

## SPECTATOR VIEWING

- At this time, spectator viewing is not limited.

- download instructions and the spreadsheet template. If your master roster has more than 100 people, contact your registration specialist before uploading.

## *What happens if rooms at the host hotels sell out?*

In the event of a sell out before the deadline at either host hotel, The Cheerleading Worlds will make its best effort to make arrangements with an alternate hotel.

## *What are the hotel check-in and check-out times?*

Hotels guarantee check-in at 4 pm. If rooms are ready in your block, the hotel may allow you to check-in early. Check-out at the host hotels is 11am. Please communicate this to your entire group traveling with you.

## *How many chaperones do we need?*

One club owner|coach or responsible adult (21 years of age or older) for every nine athletes is required.

## *Can we have five people in a room?*

No. Disney resorts do not allow more than four people to a room. Rollaway beds are not available.

## *We have an uneven number of athletes. Can we pay the quad rate for three athletes in a room?*

No. The travel package prices have been calculated according to how many people are in each room.

## *Can family and friends sign up for the Worlds hotel package?*

Many coaches include parents on the hotel package with their teams. However, we encourage family members and friends to register separately. See the FAMILY AND FRIENDS section on page 23.

## *What if we are NOT purchasing a Worlds hotel package?*

Each coach and athlete will need to purchase a commuter package which includes competition registration and a Magic Your Way Ticket with Park Hopper® Option. Spectators will simply need to purchase a Magic Your Way ticket with Park Hopper® Option or purchase a daily admission ticket or wristband for entry into the competitions.

## FREQUENTLY ASKED QUESTIONS (continued)

A Magic Your Way ticket with Park Hopper® Option allows you to visit one or more theme parks on the same day and will be considered only one day of admission. Days used do not have to be consecutive. ### *Do we use our Park Hopper® Tickets for competition?*

This will NOT be considered a theme park admission and will not use a theme park day on your Park Hopper® Ticket. Park Hopper® Tickets purchased for Worlds are NOT valid admission to cheer/dance venues hosted by other companies and vice versa.
